Step 10

Select "Authorized user license" and press **Next**.

Product Authorization

Select one of the following:

○ Authorized user license (I purchased a single copy of the product).
You will be asked to enter the authorization code or license code that you received from IBM corp.

Example codes

○ Concurrent user license (My organization purchased the product and my administrator gave me a computer name or IP address.)

Lock Code for this machine is: ▓▓▓▓▓

< Back   Next >   Cancel

Step 11

Enter the authorization code found on the KTH Software Download page for SSPS and press **Next**.

Enter Codes	Overview of Licensing Process

Please enter the authorization code(s) here to license your product. If you have already contacted IBM Corp. via email or phone, please enter the license code(s) sent back to you by IBM Corp.

Example codes

Enter Code: Enter additional codes

The authorization code(s) will be sent to IBM Corp. over the Internet.

Connect to the internet through a proxy server

< Back   Next >   Cancel

Step 12

If the authorization was successful (the authorization wizard must have full internet access) press **Next**.

Step 13

Press **Finish** to exit the license authorization wizard and complete the installation.

Licensing Completed
You have successfully licensed your Product.

Your license is effective the next time you start your product.
